While some people head to the corner coffee shop, brewing it at home is a more affordable option — even if you prefer light and airy lattes or espresso drinks. There are dozens of different types of coffee makers on the market, and the best one for you depends on your coffee preferences. Check out these top picks for coffee makers ranging from standard drip models to more sophisticated espresso machines. Because the method produces less acidic coffee, you can enjoy the taste of your favorite pick-me-up with less bitterness. Additionally, if you have a sensitive stomach, the lower acid content is much better for you. As tends to happen with popular trends, cold brew coffee systems have flooded the market, making it difficult to choose the right option for your needs. Start by taking a look at the best cold brew coffee systems on the market today. MORE FROM CONSUMERSEARCH.COM
